## How do I obtain a free upgrade to Windows 10 Education?

Burner EOAS - 2020-01-20 - Windows

Students:

You can use your CWL user name and password to access your free Windows 10 Education entitlement (and other products), by going to the canvas ubc web site and looking under Help for Software. Items such as Windows 10 Education (32/64 bit), are free of charge;

Run as an update

This will allow you to turn on Bitlocker to encrypt your drives
