Merging EOAS email with UBC's FASmail service on FASmail

Burner EOAS - 2025-04-03 - Email, calendar, and contacts

Overview

The Department of Earth, Ocean and Atmospheric Sciences currently maintains a dedicated Microsoft Exchange server for the faculty and staff community. A number of faculty and staff also have a FASmail account, or desire a FASmail account and wish to avoid managing multiple email accounts, but still have access to use an identity in the @eoas.ubc.ca domain.

Information regarding UBC's FASmail service can be found at <https://it.ubc.ca/services/email-voice-internet/ubc-faculty-staff-email-fasmail>.
