Adobe Digital Campus Workshop

2016-10-05 - Burner EOAS - Comments (0) - General

Adobe will be hosting a **Digital Campus Workshop** for staff and faculty at UBC Point Grey campus on Thursday, October 13, 2016. The workshop will feature special presentations from Adobe and peer institutions from BC. Participants will receive tips on how to transform the way they communicate to their audience and will have the opportunity to share ideas and learn from colleagues on how they are using Adobe products.

Event Details
