Autodiscover fix in hub.eoas.ubc.ca

2017-05-02 - Burner EOAS - 0 Comments - in Changes

The log file for www.eoas.ubc.ca was registering a number of autodiscover.xml missing entries:

 page not found	2017-05-02 13:01	autodiscover/autodiscover.xml	Anonymous (not verified)
 page not found	2017-05-02 13:01	autodiscover/autodiscover.xml	Anonymous (not verified)

The problem was traced to hub.eoas.ubc.ca, the autodiscover entries were entered with an upper-case "A", i.e., Autodiscover/Autodiscover.xml. The file has been updated and changes checked into git.
