Change EOAS Password (Exchange / Helpdesk / Owncloud)

2018-10-02 - Charles Krzysik - 0 Comments - in Security

The new Exchange server includes a feature that you can use to change your password. You can access that feature by first going to your Exchange account using a web browser and visiting <https://exchange.eoas.ubc.ca>.

For instructions please follow the steps in this short YouTube video:

<https://www.youtube.com/watch?v=79S3rEEemYhw>
