UBC's campus license for Oracle MySQL Enterprise is expiring on April 30, 2018

2018-04-23 - Burner EOAS - Comments (0) - General

A friendly reminder that the UBC's campus license for Oracle MySQL Enterprise is expiring on **April 30, 2018**.

Please switch to another database product if you are still using Oracle MySQL Enterprise and don't have any other license arrangement with Oracle. An option is MySQL Community Edition.

If you require further information, please visit the IT Service Catalogue (<https://it.ubc.ca/services/web-servers-storage/database-administration-services/oracle-mysql> *).

If you have any questions or concerns, please contact us on our webform (<http://web.it.ubc.ca/forms/dba> *).
